QUALIFIERS FOR THE NATIONAL FINAL 2016

The following qualifying competitors have informed the contest manager that they are unable to attend the final on 25th September:

Steve Stone, Peter Lisle, Colin Merry, George Whenham, Phil Cunningham

(NB: Due to the low number of teams competing in this year's qualifying rounds it is not practical to follow rule 8(k) because there would be too few teams participating in the final. Therefore the new qualifiers have been appointed as if they had declared their intentions prior to next qualifying event.)

Each qualifying event has been re-assessed for the next in line to qualify and a revised list of qualifiers is shown below:
